Supplemental Amendmentt dated April 26, 2006  
Reply to Office Action dated January 20, 2006

R E M A R K S / A R G U M E N T S

Reconsideration of the present application, as amended, is respectfully requested.

Supplemental to the filing of the April 10, 2006 Amendment, Applicants' attorney was contacted by Examiner Wamsley. Examiner Wamsley advised that the recitation of "would be" set forth in claims 1 and 5 is indefinite. In response, telephonic conferences were conducted with Examiner Wamsley wherein it was agreed to eliminate "would be" in claims 1 and 5 and to amend "first encoder" to -- first hypothetical encoder --. Examiner Wamsley agreed that these amendments would place the claims and application in condition for allowance.

The courtesy of Examiner Wamsley in reaching the aforementioned agreement is acknowledged and appreciated.

Claims 1 and 5 are amended as agreed to with Examiner Wamsley during an April 25, 2006 interview.

Entry of the amendment, allowance of the claims, and the passing of the application to issue are respectfully solicited.
